Facce Riciclate (Recycled Faces), an investigation on portrait, opens March 28. Artist, Sonia Ceccotti introduces her characters, including herself, through an aesthetic construction made of wrapping material for delivering goods: corrugated cardboard, coloured sticky and insulating tape, bar codes creating details, charcoal sharp strokes giving life to glances

Wang Guangyi: Cold War Aesthetics, through March 1. The Louise Blouin Institute features the first major solo exhibition in the UK of renowned Chinese artist Wang Guangyi. The ambitious show is both a reflection of the imagery of Cold War era China, and a warning to contemporary audiences about the horrors of war. The exhibition is part of the institute's Culture Beyond Borders series aimed at encouraging cultural dialogue
